THE WALLPAPER COLLECTION

SUITE III - VELVET

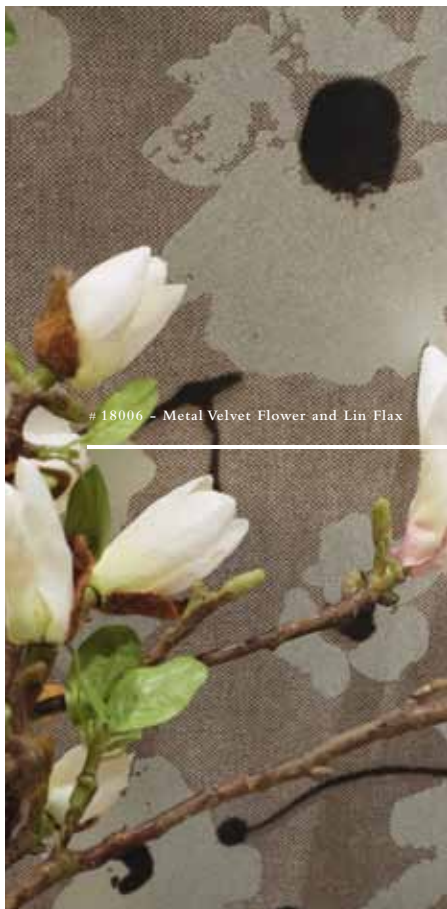

The photograph captures every detail from reality. Le photo représente vraiment l'effet de la réalité.

Flamant 'Suite III - Velvet' is a flowery collection with a countrified touch. Its sophisticated, original and unique design plays on contrasting materials: flax, velvet, golds and silvers. Its refinement is pushed to the limits. It is enshrined within the tradition of magnificent wallcovering qualities, fruit of the close co-operation between Flamant and Arte.
